Trafford Publishing, Canada, 2011. Paperback. Book Condition: New. 198 x 122 mm. Language: English . Brand New Book ***** Print on Demand *****. The Thirteen Myths of Potty Training helps parents and caregivers of young children understand their role in guiding a child through the process of learning how to use the toilet. This book brings a refreshing approach to the task of helping children with this step toward independence. You ll find straightforward information about children s development in learning self-help skills around toileting. The book also identifies the many myths around potty training that hold adults back from guiding the child in a proactive way. You ll also find a simple and logical sequence of steps for child that is both developmentally appropriate and respectful. While learning about how young children think about and master toileting tasks, parents may find the author s insights into young children useful in other areas of child-rearing as well.
