

After Appomattox: Military Occupation And The Ends Of War.

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Harvard University Press, Cambridge, Massachusetts and London England, 2015. Hardcover. Book Condition: New. 352 pages. Hardcover with dustjacket. New book. UNITED STATES CIVIL WAR. On April 8, 1865, after four years of civil war, General Robert E. Lee wrote to General Ulysses S. Grant asking for peace. Peace was beyond his authority to negotiate, Grant replied, but surrender terms he would discuss. As Gregory Downs reveals in this gripping history of post-Civil War America, Grant's distinction proved prophetic, for peace would elude the South for years after Lee's surrender at Appomattox. After Appomattox argues that the war did not end with Confederate capitulation in 1865. Instead, a second phase commenced which lasted until 1871— not the project euphemistically called Reconstruction but a state of genuine belligerency whose mission was to shape the terms of peace. Using its war powers, the U.S. Army oversaw an ambitious occupation, stationing tens of thousands of troops in hundreds of outposts across the defeated South. This groundbreaking study of the post-surrender occupation makes clear that its purpose was to crush slavery and to create meaningful civil and political rights for freed people in the face of rebels' bold resistance. But reliance on military occupation posed its own dilemmas. In areas beyond Army control, the Ku Klux Klan and other violent insurgencies created near-anarchy. Voters in the North also could not stomach an expensive and demoralizing occupation. Under those pressures, by 1871, the Civil War came to its legal end. The wartime after Appomattox disrupted planter power and established important rights, but the dawn of legal peacetime heralded the return of rebel power, not a sustainable peace. 352 pages, 6-1/8 x 9-1/4 inches, 6 halftones, 9 maps, 2 graphs, 7 tables. Gregory P. Downs is Associate Professor of History at the University of California, Davis. "In a...
