AUTHORHOUSE, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I was surprised when a friend told me he wasn t aware that St. Bernard had ever had a college. After thinking about it for a moment, I realized it had been almost thirty years since St. Bernard College closed its doors. That was what motivated me to write a book about my experience there. I attended St. Bernard College from August 1966 until May 1970. It was a time when St. Bernard College strived with attendance peeking during those years. Also of significance, various sports were putting St. Bernard on the map. The 1967-68 basketball team was outstanding, winning their conference championship in one of the highest scoring games in conference history. In writing the book, I mention many other things that went on there, including campus activities, other sports and the professors, priests and students of the college. The book emphasizes two primary things: that outstanding basketball team of 1967-68 of which I was a member, and the influence Coach Charles Richard had on his athletes, students and the college itself. You will take a walk down memory lane as you read about what it was like at St. Bernard College in the late Sixties.
