Heinemann USA, United States, 2006. Paperback. Book Condition: New. 3rd. 234 x 188 mm. Language: English . Brand New Book. Making the Journey is a staple of secondary English methods courses and teacher libraries because it not only provides practical advice on what to do in the classroom and how to act, but also offers a realistic but optimistic sense of what it means to embrace the practice of good teaching. Now, trusted educator, writer, and researcher Leila Christenbury has returned with a remarkable new edition of her classic. The third edition of Making the Journey will be both refreshingly new and satisfyingly familiar to those who ve come to rely on Christenbury s wisdom and uncommon common sense. Every chapter has been revised and updated with new examples, the latest research, and stories from today s classrooms. Even more important, Christenbury has devoted new sections to discussing instructional and political topics crucial to the contemporary teacher, including: supporting English language learners developing students ability to write on demand meeting the challenge of high - stakes standardized testing balancing depth of coverage with breadth in standards - based curricular planning creating tests and other assessments that align with curricular goals and provide useful information for subsequent instruction engaging students reading interests through nontraditional, real - world genres like graphic novels teaching writing and media literacy through digital - age innovations such as blogs and WebQuests navigating the politics of school while remaining an activist professional With the latest, smartest strategies, techniques, and ideas as well as Leila Christenbury s trademark pragmatism and know - how, the third edition of Making the Journey will be an indispensable guide for anyone just starting their own journey into teaching or for anyone already on their way.
