the Voice of Children

By Mahesh Pardhan

2007. Hardcover. Book Condition: New. 70 The noble idea behind the book is to deal with the life of children reflecting a vision of their world, their rights and how best they can be protected in an adult domain. This book is entirely devoted to promote spirit of adventure and values such as compassion, tolerance, sympathy, respect, and concern for other, rational and scientific outlook, humanism, feeling of social justice and national integration and respect of cultural heritage, national and international values. Having equipped with the them- "Rights, happiness and dignity the voice of children", this book will help the children to develop in them an integrated personality to grapple with the challenges of the future with confidence. Someone has rightly observed saying, "It is better to bind your children by respect and gentleness than by fear." This book would prove useful to millions of students and laymen as it is written in a simple and lucid style with in the easy grasp of the lay readers. About The Author:- "The are three difficulties in authorship: to write anything worth publishing, to find honest men to publish it, and to read it". I never had any inclination to write, I...
