WOMAN AND CHILD

2007. Hardcover. Book Condition: New. 280 The book attempts to highlight certain pertinent aspects of family life, marriage scene, the place of parents and grandparents, and the ways of teenagers. Yet the main emphasis is on the fast expanding role of women in the workplace, sports, politics and the society itself. A good many example are given of what is happening in the western world, particularly in USA. The key to women's position is the rise of feminism; possibly the...
