iUniverse, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The horrors of September 11, 2001, continue to haunt America. Even so, from the ashes of that tragedy came biblical signs from God that carry a message intended for the entire world to see. Good News, Babylon takes an in-depth look at prophesies of 9/11 to reveal God s warning to mankind. Using scriptural evidence, Dr. David Randolph studies the two most common signs of 9/11-the Cross of Jesus Christ found in the rubble of the World Trade Center and the image of the devil in the plumes of smoke after the attack-to prove the existence of God. Dr. Randolph also draws parallels between 9/11 and ancient Babylon, comparing and contrasting the warning signs given to Babylon with those from 9/11. He then examines the prophesies of Isaiah and Joel, delves into the Mother of Christ Crusade, the Fatima Apparitions, the Mother Cabrini Shrine, and other modern-day phenomena that included the hidden signs of 9/11. With in-depth research and commentary, Good News, Babylon offers a detailed study of 9/11.
