This generation shall not pass, till all these things be fulfilled (Matthew 24:34). The Bible contains prophecies that could not be fulfilled until this generation, beginning with the birth of Israel in 1948. Dr. Bollinger looks at several prophetic signs that clearly indicate that we are Our Final Generation and that we are well on our way to the rapture of God s children. He also examines several Biblical prophecies that define the term Our Final [Last] Generation e.g., the Antichrist, end-time false religion system, the last seven plagues, and the Battle of Armageddon, and many more. This book is a straightforward, well-documented overview of contemporary worldviews and current events that are now unfolding, consistent with biblical prophecy, logically revealing how and why this generation is Our Final Generation. 146 pages-20 chapters-Easier to read large print.
