Brand New Book ***** Print on Demand *****.There is something very therapeutic about hearing someone else share the story of her own personal struggle. Somebody, Free Me is written from that point of view. It's as if you are sitting in the circle of a twelve-step recovery session and are listening to a fellow struggler share her journey toward healing. Cheryl has a way of sharing her pain through the lens of family and faith which provides both a sense of honesty and hope. I pray God blesses you as you read it. -Jeff Leake, author of God In Motion. Cheryl Guy is a perfect example of how God can take someone who is in great bondage and propel her toward healing by the power of his love and leading. -Barb Priestap, Gannon University faculty member, mother of three, wife of one and sister in the Lord. Cheryl provides very poignant word pictures that will help the reader understand the emotional pain of someone with food addiction issues and the recovery process. -Melodie Leake, Allison Park Church Marriage Matters Pastor No one has a unique challenge in life. Maybe you don't have an eating disorder. But whatever you may be facing, you'll find many intersecting points between your story and Cheryl's.
