Brand New Book ***** Print on Demand *****.College Is For Suckers -The First College Guide You Should Read is a frank and to-the-point buyer beware for anyone considering a college vacation. This book offers insightful information that could save you thousands of dollars! While exposing the hype associated with a traditional college education, this book provides you with valuable options for higher education in your pursuit of a successful future. Even if you are dead set on going to college, you can't afford to be without this book! Be aware of what you, as a college consumer, can realistically expect from a traditional four-year college. Don't be a sucker! College Is For Suckers -The First College Guide You Should Read. Shatters myths about the need for a traditional liberal arts education. Compares the hype with the actual value of a four-year degree in today's market. Peels away the extra fluff associated with the college experience and shows how you can be a well-rounded party animal on your own while attending trade schools, vo-tech programs or apprenticeships that actually prepare you for a...
