RELOCATING SERENDIPITY

Createspace, United States, 2015. Paperback. Book Condition: New. Erika Kaunisaho (illustrator). 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Relocating Serendipity is a crazy roller coaster ride of fact and fiction to stimulate your wildest imagination. From the Mongolian desert to arctic China, over the expansive Pacific Ocean to the Americas - disregarding the concept of time -we follow a rag-tag traveling circus of the mind to explore questions of morality and to determine what is reality. It s a tale of humans and animals not of this world seeking to find their way home. Excerpt: She pointed the AK into his bleeding face. Camel intervened to mediate the crisis looking at Azni: Have you ever been on a magic camel ride before? Azni did not know what to say. Hop on. I will take you for one. It s otherworldly fun. Can I come too? Rainbow spun around again in the sky. Of course and bring your Blue Face lover and please put the damn weapons down. We camels ride in the sky with peace. Let s let the Ministers talk. Azni hesitated. She looked at Donkey. He gave his nod of approval. She ran over and gave him a sexy kiss. Rainbow was licking my ear. Let s move out! Azni hopped on. We left all of the weapons at the camp as camel requested. 1 - 2 - 3 Close your eyes! Whooa! We were literally flying. Camel circled over the thick pine forest beneath the clouds. Azni was screaming: How can you do this? Rainbow was sitting on or in my head. This gets better and better. I never imagined such a cool honeymoon! Honeymoon, I thought to myself. This was unexpected. I loved it. I love her so much!...
