The University of Buckingham Press, United Kingdom, 2016. Paperback. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. Careful use of grammar and accurate spelling, combined with a versatile vocabulary, is crucial to success in 11 Plus and Common Entrance exams but is often one of the more difficult to attain. Representative of the verbal reasoning and creative writing type questions of multi-discipline CEM style 11 plus exams, here is a further collection, developed from conventional classroom testing sessions, that combines a variety of multiple choice and more elaborate questions. Varying question styles such as partial words, shuffled sentences, left-over and/or missing words including multiple choice questions, help to identify grammatical and spelling errors, word definitions and drill correct sentence structure. All assist in providing knowledge and confidence to answer questions that test and strengthen grammar, spelling and vocabulary. Extensively road-tested by Eleven Plus Exams, all 11+ Essentials tests are best used as real exam practice to benchmark a child s performance and to identify areas for improvement. They are perfect for use both in the classroom and at home. The suggested time for each paper is based on data obtained from conventional classroom testing sessions.
