

Happily Ever After: My Journey with Guillain-Barr Syndrome and How I Got My Life Back

By Holly Gerlach

Trafford Publishing, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.At the age of twenty-six, less than three weeks after giving birth to her first child, Holly Gerlach noticed that her fingertips were numb and her legs were weakening. In less than three days, she was paralyzed and could no longer breathe on her own. She was diagnosed with Guillain-Barre syndrome, a rare autoimmune disorder that occurs when the body's immune system mistakenly attacks part of the nervous system. She was admitted to the hospital, where she spent two and a half months in the intensive care unit on a ventilator. She couldn't move, she couldn't speak, and worst of all, she couldn't hold her newborn daughter. She felt like her life was over as she couldn't be the mother that she had always wanted to be. As the weeks went on, the paralysis began to wear off. And once she was able to breathe on her own again, she started on her road to recovery. With intense physiotherapy, she learned how to use her muscles again and eventually how to walk...

Reviews

This pdf may be worth purchasing. This is for anyone who statte there was not a really worth reading. I found out this pdf from my i and dad encouraged this pdf to understand.

-- **Mrs. Annamae Raynor**

If you need to adding benefit, a must buy book. This really is for all who statte that there had not been a well worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
