*****.In todays society, there are some persons who believe that getting a credit card means that they have the financial freedom to purchase anything they want while living a lavish lifestyle. Because these individuals have this misconception of credit card usage, they are the ones that usually find themselves in debt. There are those persons who incur a vast amount of debt because of matters beyond their control such as medical emergencies; on the other hand, quite a number of the U.S. population is in debt because of frivolous spending and living beyond their means. To make matters worse, these individuals are spending more than what they are saving, if they are saving any at all. Because of the reasons listed above, credit repair has now become an imperative staple in the U.S. economy. In fact, over the past few years, credit repair companies have been popping up everywhere. Its practically impossible to watch TV or surf the Internet without seeing one of those "Do you have bad credit?" advertisements. But credit repair isn't associated with bad...
