JOURNALISM THAT MATTERS: VIEWS FROM CENTRAL AND EASTERN EUROPE

Peter Lang AG. Hardback. Book Condition: new. BRAND NEW, Journalism That Matters: Views from Central and Eastern Europe, Michal Glowacki, Epp Lauk, Aukse Balcytiene, This collective effort of Central and Eastern European (CEE) scholars investigates and compares journalism cultures in a selection of CEE countries. Simultaneously with dramatic societal and political changes, CEE journalisms undergo a technological revolution and the global repercussions of the economic crisis. According to the authors of this volume, the national cultural factors and traditions play an important role in professionalization and democratization of journalism cultures. The book critically examines some of the identified developments, such as shifting roles and functions of the media and journalists or interpretations of occupational self-regulation as genuine phenomena of CEE journalisms rather than deviations from the Western professional ideology of journalism.
