In addition to the usual Oxford course of the ethics, rhetoric, and poetics, and the politics and economics, he had studied the analytical, physical, and metaphysical treatises, and the history of animals, and had consulted all the principal commentators. His reputation as an Aristotelian collected a large audience in the schools at his examination. Few of them were capable of estimating the amount of his learning; and to judge from their style of examination, the examining masters themselves seemed to feel his superiority. Still his examination, in the Oxford sense of the word, was not a brilliant one. Though a sound and even learned scholar, his was not the kind of scholarship that told in an Oxford examination. His early education in Scotland had not been fashioned after the model of an English public school. He wrote Latin prose with ease...
