Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

FINDING AN ONLINE HIGH SCHOOL: YOUR GUIDE TO MORE THAN 4,500 HIGH SCHOOL COURSES OFFERED OVER THE INTERNET

Mattily Publishing, United States, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. This comprehensive guide provides students, teachers, and educators with a road map to the rapidly expanding field of online high schools. Math, science, history, English, even physical education-name the course, and this book will help you find it online. Finding an Online High School features profiles of 113 high schools that offer courses through the Internet. The profiles offer detailed information on each institution, such as accreditation, tuition, and educational philosophy. An exhaustive index helps readers track down specific courses that they need or want to take on the Web. Finding an Online High School also offers expert advice on important questions such as: Am I ready for online study? How do I know if a particular high school is legitimate? How much will it cost? What kind of computer will I need? Experts in online education agree that Finding an Online High School is an invaluable road map to the world of online high school education: Not just excellent, but exciting, says William A. Draves, a leading online educator. A great starting point for looking at online high schools, concurs Judith V. Boettcher, an online learning consultant.
