Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

NORTH TO LALIBELA: SEARCHING FOR ETHIOPIA

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Ruth G Lanser (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Do you think that all Ethiopians are beggars? Zeleka is a gentle, thoughtful boy, still at preparatory school at the age of eighteen, who has a unique approach to gaining the attention of travellers to his city: he asks for their help with his homework. North to Lalibela tells the story of a trip along Ethiopia s Northern Circuit, into an ancient civilisation - its culture, architecture, art, anthropology, and quirks of history, language and religion. It is a journey of physical adventure and cultural awakening, a memoir of the beauty and challenge of travel in the cradle of civilisation. A compelling read that never ceases to charm. PETRA GENT.
