HARPER PERENNIAL, United States, 2015. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book. Excellent. The Times (London)Growing up in Texas, Ben experienced basketball as a mostly solitary pursuit, one he gave up after riding the bench in high school. But as his college classmates prepare for the real world, Ben is seized by an idea. All he needs is a video camera, an empty court, and his mother s German citizenship.Improbably, he lands a roster spot on a lower division pro team in Landshut, forty-five minutes outside Munich. It s Ben s first taste of competition in years, not to mention his first job. And like most jobs, it s defined by repetition, boredom, and gossip. There s Charlie, the trash-talking mercenary from Chicago; the coach, Herr Henkel, a recently retired player anxious to justify his paycheck; and Karl (based on the author s real life encounters with Dirk Nowitzki), a gangly teenage prodigy flashing the raw talent that will make him an NBA star. As a group of men learn how to navigate one another, Ben falls in love with the young mother of a teammate s child, and begins an affair that will change his life. Markovits draws [himself] with exceptional delicacy. . . . This is the territory of the rites-of-passage novel, but it is territory that the author navigates with subtlety and poignancy. The Guardian (London).
