Tor Science Fiction. Paperback. Book Condition: New. Mass Market Paperback. 688 pages. Dimensions: 6.7in. x 4.1in. x 1.2in. Only the most desperate colonists dare to make a new home on Hellhole. Reeling from a recent asteroid impact, tortured with horrific storms, tornadoes, hurricanes, earthquakes, and churning volcanic eruptions, the planet is a dumping ground for undesirables, misfits, and charlatans but also a haven for dreamers and independent pioneers. Against all odds, an exiled general named Adolphus has turned Hellhole into a place of real opportunity for the desperate colonists who dare to make the planet their home. While the colonists are hard at work developing the planet, General Adolphus secretly builds alliances with the leaders of the other Deep Zone worlds, forming a clandestine alliance against the tyrannical, fossilized government responsible for their exile. What no one knows is this: the planet Hellhole, though damaged and volatile, hides an amazing secret. Deep beneath its surface lies the remnants of an obliterated alien civilization and the buried memories of its unrecorded past that, when unearthed, could tear the galaxy apart. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Mass Market Paperback.
