

Horse Racing - The Conservative Bettors Secrets to a Profitable Day at the Races

By Jim Oddo

Createspace, United States, 2012. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.I wrote this book after getting numerous questions from both experienced and occasional horse players regarding horse racing systems or handicapping tips they wanted when they would visit the local race track. Let s face it, if you are going to spend a day at the track, you d rather come out a few bucks ahead then making the typical donation. The first question I ask anyone looking for advice is What is your expectation? By that I mean so you want to walk into the track with \$50 and leave with a remarkable return of 10-50 , or do you want to walk in with \$50 and leave with 10 times that amount? If your answer is the 10-50 return, then this is the book for you. I do have a jackpot system, but that is a different book. Horse racing betting can be confusing, but my system makes it simple and easy for anyone to use. So to all you conservative players. looking to have some fun and earn a smart return let s get started!.
