Reviews

*A whole new eBook with an all new standpoint. It is actually rally fascinating throgh reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
(Claire Bartell)*

THE TOUGHEST GMAT PRACTICE TEST WEVE EVER SEEN VOLUME 1

Magnificent Milestones, Incorporated. Paperback. Book Condition: New. Paperback. 42 pages. Dimensions: 9.8in. x 8.0in. x 0.3in. To achieve a top score on the GMAT, students should follow a three-step plan: Learn the concepts on the test Learn the tips, traps and strategies of the test writers Learn to work faster and smarter by taking timed practice tests This publication covers the final step; it offers the toughest mock exam you are likely to see, including the confusing, tedious, and time-consuming questions for which the GMAT is notorious. For the average student, these questions are the ones that you either skip in the interest of time or simply guess because you don't know how to approach them (or you got stuck somewhere in the verbiage). They are the annoying questions that keep you up at night because you know in your heart that you should have gotten them right. Relax. That's what this exam is for to show you the worst that the GMAT will throw at you, with a complete explanation and plan of attack for every problem. Our best recommendation is to tackle this exam AFTER you have reviewed all of the concepts on the test and learned the typical tricks, traps and pitfalls that the test writers are most likely to use. Then, use this material for all it is worth a chance to earn a top score and gain admission to the most prestigious business schools in the nation. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
