

Crafting the 613 Commandments

Filesize: 2 MB

Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Academic Studies Press Mrz 2014, 2014. Taschenbuch. Book Condition: Neu. 234x156x21 mm. This item is printed on demand - Print on Demand Neuware - Rabbinic tradition has it that 613 commandments were given to Moses on Mount Sinai, but it does not specify those included in the enumeration. Maimonides methodically and artfully crafts a list of 613 commandments in a work that serves as a prolegomenon to the Mishneh Torah, his monumental code of law. This book explores the surprising way Maimonides put this tradition to use and his possible rationale for using such a tradition. It also explores many of the philosophical and ethical ideas animating the composition of such a list. In the book's second half, Friedberg examines the manner by which Maimonides formulated positive commandments in the Mishneh Torah, leading him to suggest new dimensions in Maimonides' legal theory. 400 pp. Englisch.
