
Scaling Lean and Agile Development: Thinking and Organizational Tools for Large-Scale Scrum

By Craig Larman, Bas Vodde

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, Scaling Lean and Agile Development: Thinking and Organizational Tools for Large-Scale Scrum, Craig Larman, Bas Vodde, Lean Development and Agile Methods for Large-Scale Products: Key Thinking and Organizational Tools for Sustainable Competitive Success Increasingly, large product-development organizations are turning to lean thinking, agile principles and practices, and large-scale Scrum to sustainably and quickly deliver value and innovation. However, many groups have floundered in their practice-oriented adoptions. Why? Because without a deeper understanding of the thinking tools and profound organizational redesign needed, it is as though casting seeds on to an infertile field. Now, drawing on their long experience leading and guiding large-scale lean and agile adoptions for large, multisite, and offshore product development, and drawing on the best research for great team-based agile organizations, internationally recognized consultant and best-selling author Craig Larman and former leader of the agile transformation at Nokia Networks Bas Vodde share the key thinking and organizational tools needed to plant the seeds of product development success in a fertile lean and agile enterprise. Coverage includes * Lean thinking and development combined with agile practices and methods* Systems thinking* Queuing theory and large-scale development processes* Moving from single-function...
