CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 106 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. New Comprehensive SEO How-To Manual Features Passive Income and Authority Site Optimization Walk-Thrus With Original Advanced Techniques The Ultimate SEO Bible includes optimization techniques gained from 8 books, countless websites and three podcasts. Mason discovered that each source provided different methods: trial and error finally transformed his ideas into 20 high traffic, income-generating websites. As no single source covered SEO from topic selection to ongoing SEO, the Bible was born. Just prior to publication, Mason added several proprietary solutions for Hummingbird (which caused plummeting traffic for several of his own sites.) Many hours of random Google-tinkering passed before the bell rang. The solution was so glaringly obvious that he thought he had to be wrong. He wasn't. Passive income was vital for Mason, who had been laid off like so many others and needed help to make ends meet. He learned that creating small, tightly-focused sites would provide income with little or no work providing that 1. Proper SEO was used prior to topic selection 2. The sites were built on an SEO-friendly platform 3. Each site's content adhered to certain rules 4. Rankings are checked on a regular basis and SEO is tweaked accordingly. Obviously SEO was the key to a new source of income that didn't require much work after the initial setup: though Mason understood the basics, he knew he needed to go further. After months of intense research, he created 20 sites and experimented. The end result: 20 income-generating sites and a massive amount of SEO techniques. Why not place the top-producing on-page, off-page, backlinks, social media and microdata procedures into one single source Finally a book on SEO that I can really...
