

Village Among Nations: Canadian Mennonites in a Transnational World, 1916-2006

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

VILLAGE AMONG NATIONS: CANADIAN MENNONITES IN A TRANSNATIONAL WORLD, 1916-2006

University of Toronto Press. Paperback. Book Condition: new. BRAND NEW, Village Among Nations: Canadian Mennonites in a Transnational World, 1916-2006, Royden Loewen, Between the 1920s and the 1940s, 10,000 traditionalist Mennonites emigrated from western Canada to isolated rural sections of Northern Mexico and the Paraguayan Chaco; over the course of the twentieth century, they became increasingly scattered through secondary migrations to East Paraguay, British Honduras, Bolivia, and elsewhere in Latin America. Despite this dispersion, these Canadian-descendant Mennonites, who now number around 250,000, developed a rich transnational culture over the years, resisting allegiance to any one nation and cultivating a strong sense of common peoplehood based on a history of migration, nonviolence, and distinct language and dress. Village among Nations recuperates a missing chapter of Canadian history: the story of these Mennonites who emigrated from Canada for cultural reasons, but then in later generations "returned" in large numbers for economic and social security. Royden Loewen analyzes a wide variety of texts, by men and women - letters, memoirs, reflections on family debates on land settlement, exchanges with curious outsiders, and deliberations on issues of citizenship. They relate the untold experience of this uniquely transnational, ethno-religious community.
